

Visuals Timeline

"Ocean at Night"

0.0

Fades in to slow waves

0.38

little erratic wave spike

0.52

Tilt up to see morphing "constellation"

"Space"

1.36

Constellation combine to single point, point starts to grow

2.00

Circle quickly collapses revealing other circles, that are moving

2.14

Circles start speeding up

"Black Holes"

2.25

Center black hole, along with rest of circles, starts making repetitive patten

2.44

Add color to circles

3.16

Image starts to double as beat hits

"Construction"

3.37

4.00

4.21

"Trip"

4.32

4 collapses to create tunnel

4.54

a color change happens somewhere here

5.06

speeds up slightly

5.34

keeps repeating I guess?

"Chase"

5.48

Arrive at destination which starts chase of dots

6.07

Dots speeds up

6.13

"explosion??"

6.38

back to chase

"Strolling Through Mist"

7.00

Just a serene walk through of something, to the slow beat, its steady, but interesting enough that it still has people looking

"Tsunami"

7.49

Black and white waves

8.16

Wave "rises" up as beat rises with it

"It's Okay"

8.31

"Tsunami" hits as beat drops, then we see the word "it's okay" over and over again

8.44

shift in music idk
